

Raul Reyes Elected Treasurer of the County Treasurers' Association of Texas at 76th Annual Conference

Denton, Texas – September 2024 — Raul Reyes, Webb County Treasurer, has been elected as Treasurer of the County Treasurers' Association of Texas at the 76th Annual Conference, held this year in Denton, Texas. This prestigious appointment marks another significant achievement for Reyes, who continues to make history as a leader in Texas county governance.

Reyes' election as Treasurer of the statewide association is a milestone not only for him personally but for Webb County as a whole. This achievement also follows his historic election as Secretary of the County Treasurers' Association in September 2023, making him the first Webb County Treasurer to hold a leadership position within the Association. His tenure as Secretary laid a strong foundation for further leadership, culminating in this new role.

"I am honored to have earned the trust and confidence of my colleagues across Texas," said Reyes. "Serving as Treasurer of this important statewide body is a tremendous responsibility, and I look forward to working alongside my peers to continue advancing best practices for fiscal management and integrity at the county level."

The County Treasurers' Association of Texas plays a critical role in supporting the professional development of county treasurers and promoting fiscal responsibility across the state. Reyes' election further elevates Webb County's profile within the association and brings greater visibility to the ongoing efforts to strengthen financial governance locally and statewide.

As Webb County Treasurer for the past six years, Reyes has consistently demonstrated his commitment to improving financial operations, transparency, and efficiency in county government. His leadership in Webb County has been marked by proactive initiatives aimed at modernizing financial processes and fostering fiscal accountability.

In his new capacity as Treasurer of the County Treasurers' Association, Reyes will play an essential role in guiding the association's fiscal strategy and ensuring the financial health of the organization. His election is a testament to his dedication to public service and his proven expertise in managing complex financial systems.

For more information on Raul Reyes and his ongoing work as Webb County Treasurer, please visit his upcoming website or contact the Webb County Treasurer's Office.

About the County Treasurers' Association of Texas:

The County Treasurers' Association of Texas is a statewide organization committed to enhancing the role of county treasurers through education, leadership, and support. It serves as a resource for county officials to promote the efficient management of public funds and to uphold the financial integrity of Texas' county governments.
